Re: NoteSmith® 2022 invoices

Invoice Overview

The attached invoices are for ordering NoteSmith® technical support for calendar year 2022, which includes the current installation media. This document is primarily for customers who did not print a 2022 invoice from their NoteSmith® 2021 program. First time customers, users of older NoteSmith® programs, and anyone ordering after February 14, 2022, can use Invoice 4 below.

Directions

1. If applicable, start up your existing NoteSmith® program. Read the top line to determine whether you have NoteSmith® Basic, NoteSmith® Pro, or NoteSmith® Net, and also the model year.

2. Read the new features and be sure you agree with the acknowledgements below.

3. Find your invoice on the pages following and print the one corresponding to your program:

Invoice 1: For customers currently using NoteSmith® Net 2021

Invoice 2: For customers currently using NoteSmith® Pro 2021

Invoice 3: For customers currently using NoteSmith® 2021 (Basic, non-Pro, non-Net)

Invoice 4: For first time customers, existing customers with any NoteSmith® program older than 2021, **or anyone ordering after February 14, 2021.**

4. Using the wrong invoice will delay processing of your order, so select the correct invoice and total carefully. Return the invoice with your check made out to Adagio Systems, LLC. **Alternately, use your credit card at NoteSmith.com, Order Forms.**

Contact Orders@NoteSmith.com or fax 888-227-2486 with any questions.

Thank you for choosing NoteSmith® to manage your portfolio.

Acknowledgement for 2021

By placing your order either by credit card at NoteSmith.com or by mail using a check, you acknowledge and accept the following items:

What you are licensing:

- One read/write NoteSmith® 2022 installation
- Data import routine from older NoteSmith® versions
- Technical support by email or fax through 12/31/2022
- Eligibility for the lowest cost NoteSmith® annual support at the end of next year

What else you are being given:

- Basic: One extra read-only installation, or
- Pro: One read/write emergency backup installation, or
- Net: Up to 5 NoteSmith® Net Workstation installations on computers attached by Local Area Network (LAN) to the one NoteSmith® Net 2022 Server

What you are *not* licensing or being given:

- Rights to install NoteSmith® on other than the licensed computers
- Replacement activations, whether from disk crashes, fire, theft, vandalism, or other calamity
- Technical support by telephone or postal mail

You acknowledge having read and agreed to the NoteSmith® End User License Agreement (NEULA) . By renewing your support, the NEULA defines the software licensing terms and terms of business between you the licensee and Princeton Investments, the licensor. The NEULA appears under the Help menu of your current program, at our web site, on your current installation media, and in the front of the printed manual. Further, you will be asked to read and reconfirm your acceptance of the NEULA when you install the new program. Technical support renewals are services, not products, therefore they are not refundable.

Payment

Go to www.NoteSmith.com and click Orders to pay by credit card.

Alternately, mail your check to the address shown. *Please do not staple or clip the check to the invoice.* Make copies of the invoice and this page for your records. Double check all steps and particularly your total on the reverse side for accuracy so your order can be processed timely. Send with delivery confirmation if necessary.

Questions? Email Orders@NoteSmith.com or fax 888-227-2486. Discount renewals are not available by phone.

Tip: NoteSmith® users who skip a year pay at least \$100 more to reinstate the second year and lose out on a full year of support and new features in the meantime!
